Another year has passed and with it a small portion of our lives. The times we have spent with friends, at dances, through sports, and in school activities are now only memories in the pages of scrapbooks. Considering this has only been our second year at Patch American High School, our school has become known for the high quality of its students, superb athletic abilities and overall school spirit. TIME has been one thing we all have valued this past year. It was valued because the school year passed so quickly; we had to rush to get things done. As time progressed this past year, our school participated in many new experiences; such as, the Social Studies' Department trip to the King Tut exhibition in Munich and the College Day. Time passes and we, as individuals, have changed and matured with it. Our school year may have ended with success, but time moves on and we are moving with it.

DEDICATED TO THE SENIORS OF 1981

Another year ... gone – but not far.
Another year ... time to pull out that big ol' treasure chest
of life and throw in some more of those memories.
Another year ... the end for some; the beginning for us.
Another year ... one more box stuffed with all those friend-
ships, and loves, and hates, and sorrows, and so many
smiles!
Another year ... just another sunset on the horizon.
Another year ... all those yearbooks stacked in the corner,
collecting dust, with one more to add.
Another year ... filled with more love, more good times,
more hope that no one but us could ever imagine.
Another year ... gone – but not far!!

Thanks for the memories! – Libby

Senior Faces

The arrival of the 1981 Seniors epitomized the high standards of P.A.H.S. With spirit, friendliness, and an overall comradeship evident in only the most distinguished classes, this year's seniors made their final year their best. Lasting friendships were made at the year's start. All the times of being a Senior were preserved in memories forever. Now, at the top, the time is theirs.

The Sophomore Class is a "class by itself." The year was filled with many interesting events, with early attention being focused on the homecoming float. Next, a raffle provided not only funds for the sophomores, but also many memorable gifts for the participants.

Continuing into the spring, the sophomores had a spirited Fasching party, followed closely by a jelly bean contest. Thus, the Class of '83 proved to be a "class by itself."

Villanelle

Time can tell you nothing but I told you so.

Time only knows the price we have to pay;

If I could tell you, I would let you know.

If we should weep when the clowns put on their show,

If we should stumble when the musicians begin to play,

Time can tell you nothing, but I told you so.

There are no fortunes to be told, although

Because I love you more than I can say,

If I could tell you, I would let you know.

The winds must come from somewhere when they blow.

There must be a reason why the leaves decay;

Time can say nothing, but I told you so.

Perhaps the roses really want to grow,

The vision seriously intends to say;

If I could tell you, I would let you know.

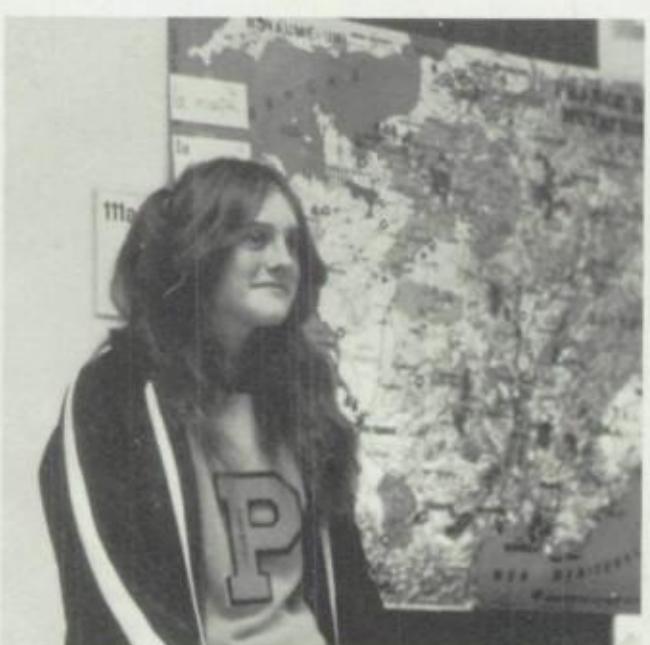

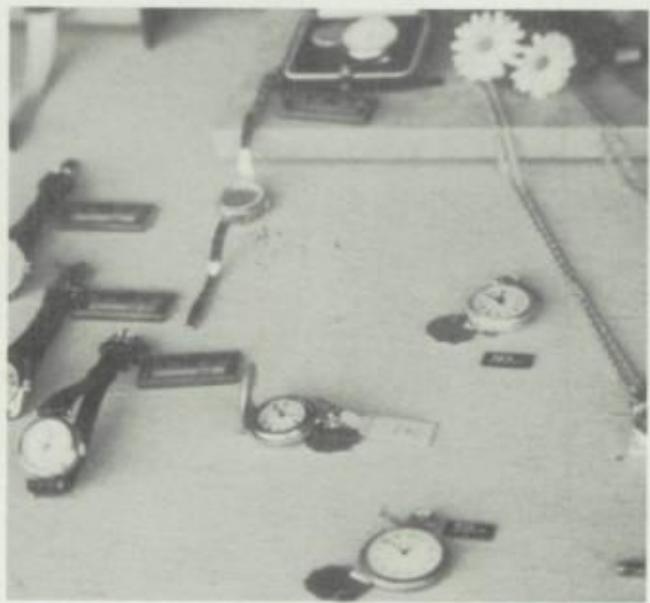

Suppose the lions all get up and go,

And all the brooks and soldiers run away?

Time can say nothing, but I told you so;

If I could tell you, I would let you know.

by W. H. Auden

New Beginning . . .

The Freshman class of '84 greeted the new year with an outstanding outlook. Starting the year with two profitable bake sales, the Freshmen maintained their spirit during Homecoming week. Their float placed second in the Homecoming parade. Over all, the Freshmen had a successful year, even though they had a rough start getting through the initiations.

EIGHTH GRADE

The light-footed 8th graders successfully survived another year of harassment initiated by the graduates of 1981. United the classes of 85 and 86 participated throughout the year in activities previously reserved for upperclassmen. With the superb guidance of Ms. Burchfield, the mighty 8th graders displayed their overwhelming spirit while winning the Homecoming float competition. Several school dances, the school banner, and other supply sales earned considerable profit for the class of 85. Class moral was boosted under the leadership of its fine class officers. Truly this year sends the class of 85 off feeling that they are destined to become the greatest class in the history of Patch American High School!!!

The school year started off with the seventh grade as the newest class but this fact was soon disregarded as the year progressed. Officers to represent their class were elected and they did an outstanding job in office, with Miss Burchfield as their advisor. The entire class kept up spirit throughout the year as seen by their superb performances at pep rallies and games. Working together with the eighth grade they took first place with their homecoming float. The class of '86 participated in several field trips: King Tut exhibition, the Kristkindlmarkt, and a castle tour.

A typical 7th grade class.

CC TAKES CHAMPIONSHIPS

The cross-country team in keeping up with the old tradition, again showed top performance throughout the season. The season began with a dedicated and enthusiastic group of runners who combined hard work and long hours of training to produce an excellent team. Their accomplishments were not only winning the girls all Germany championships but also placing six runners in the European finals in Wuerzburg. During the season Patch won all of their regular meets and hosted the silver south Regionals beating out six other teams to take the title. The top four runners on the girls team proved to be quite a sensation. The quartet, consisting of newcomer Carol Czyz, Jean McCarthy, Karen Ricketson and Ann Field, were commonly known as "the wall" because they remained undefeated in the regular season. The guys team led by junior David Caceras placed sixth overall in Germany finals. Caseras, Roger Miller and the quartet of girls all made it to the European finals, and all came in the top ten.

The 1980-81 Panther's football team had an outstanding season due to the efforts of positive thinking and fine teamwork. The team had an overall won-loss record of 5 wins and 2 losses.

This year's offense was one of the highest scoring in all of Europe averaging 30 points per game, while the defense was equally tough: allowing only 15 points per game.

Outstanding players this year who were chosen to the All-Conference Team were: Kevin Berman, Phil Bujakowski, John Burrow, Mark Edwards, Elliot Crosby, and Mike Swartz. For the first time in the school's history, Patch also landed 2 players on the All-Europe Team: Elliot Crosby and Phil Bujakowski.

CHEERLEADERS

Loyalty to their teams and the ability to work together enabled the J.V. Cheerleaders to give the athletes the best possible support. Besides their regularly scheduled games, the J.V. Cheerleaders participated in pep rallies, pompom and button sales and hall locker decorations. Led by Mrs. Zahn the J.V. Cheerleaders kept up the spirit for the J.V. football team for an impressive season.

Promoting continuous spirit throughout the season was the purpose of the Football Cheerleaders. The dedication of the Cheerleaders have resulted in great support at athletic events and even greater promotion of school spirit, which is so necessary for a good school. The cheerleaders, led by Mrs. Zahn, cheered in pep rallies, and in games in all kinds of weather. They held a dance and organized a spirit week. The Varsity Cheerleaders were determined and eager and showed their support with smiles and great cheers.

3

The Panthers 1980 Varsity Volleyball team ended the second year with a record of 4 wins and 6 losses. To top it off, the team came in 7th place out of 14 teams in the Class "B" Final Competition at Baden-Baden.

Confidence, Spirit, and Teamwork on the courts was a high point with the team this year. Thanks for that goes to Coach Carol Heffernan and Trainers George Torres and Larry Hinkle.

Overall, it was a good year for the varsity team and certainly quite an improvement over last year's record. The team was continuously improving throughout the season and plans to be even better next year.

J.V. VOLLEYBALL

The Junior Varsity Volleyball team did very well this season with a 6-win, 3-loss record. Although they did not have as much support as the varsity team, they obviously pulled thru with a winning record.

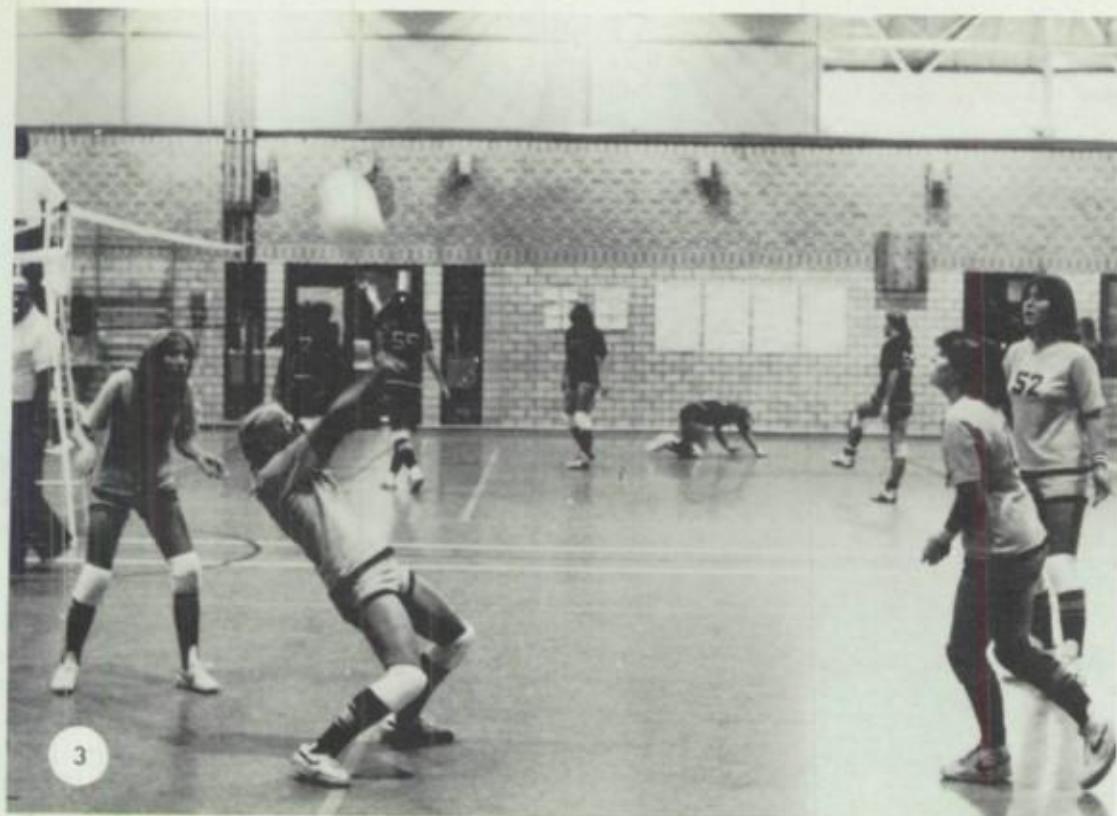

The J.V. team was spirited throughout the whole season, always giving the varsity a lot of support during their games, which deserves many thanks — THANK-YOU J.V.!!!

This team never feared to walk out on a court and to do their best. Coaches Bob Blackman and Betty Harper believed that the 80 season was a successful one for the team, defeating almost everyone they played.

All together, the Varsity team enjoyed practicing and cheering for the J.V. team. Both teams are proud to be "Patch Panther Volleyball Players".

MEN'S VARSITY BASKETBALL

The Men's Varsity basketball team was very strong this season. Although many of the players had never played together before, hard workouts at lunch and after school quickly molded the team into a successful group. This year's team was one of the tallest in the conference yet was also one of the fastest. The varsity Panthers had 3 scrimmages, 2 of which they won, to prepare them for their regular season play. Once into the regular season play, the Panthers made all their hard work pay off. Most people will agree that this year's team was a lot more successful overall than last year's.

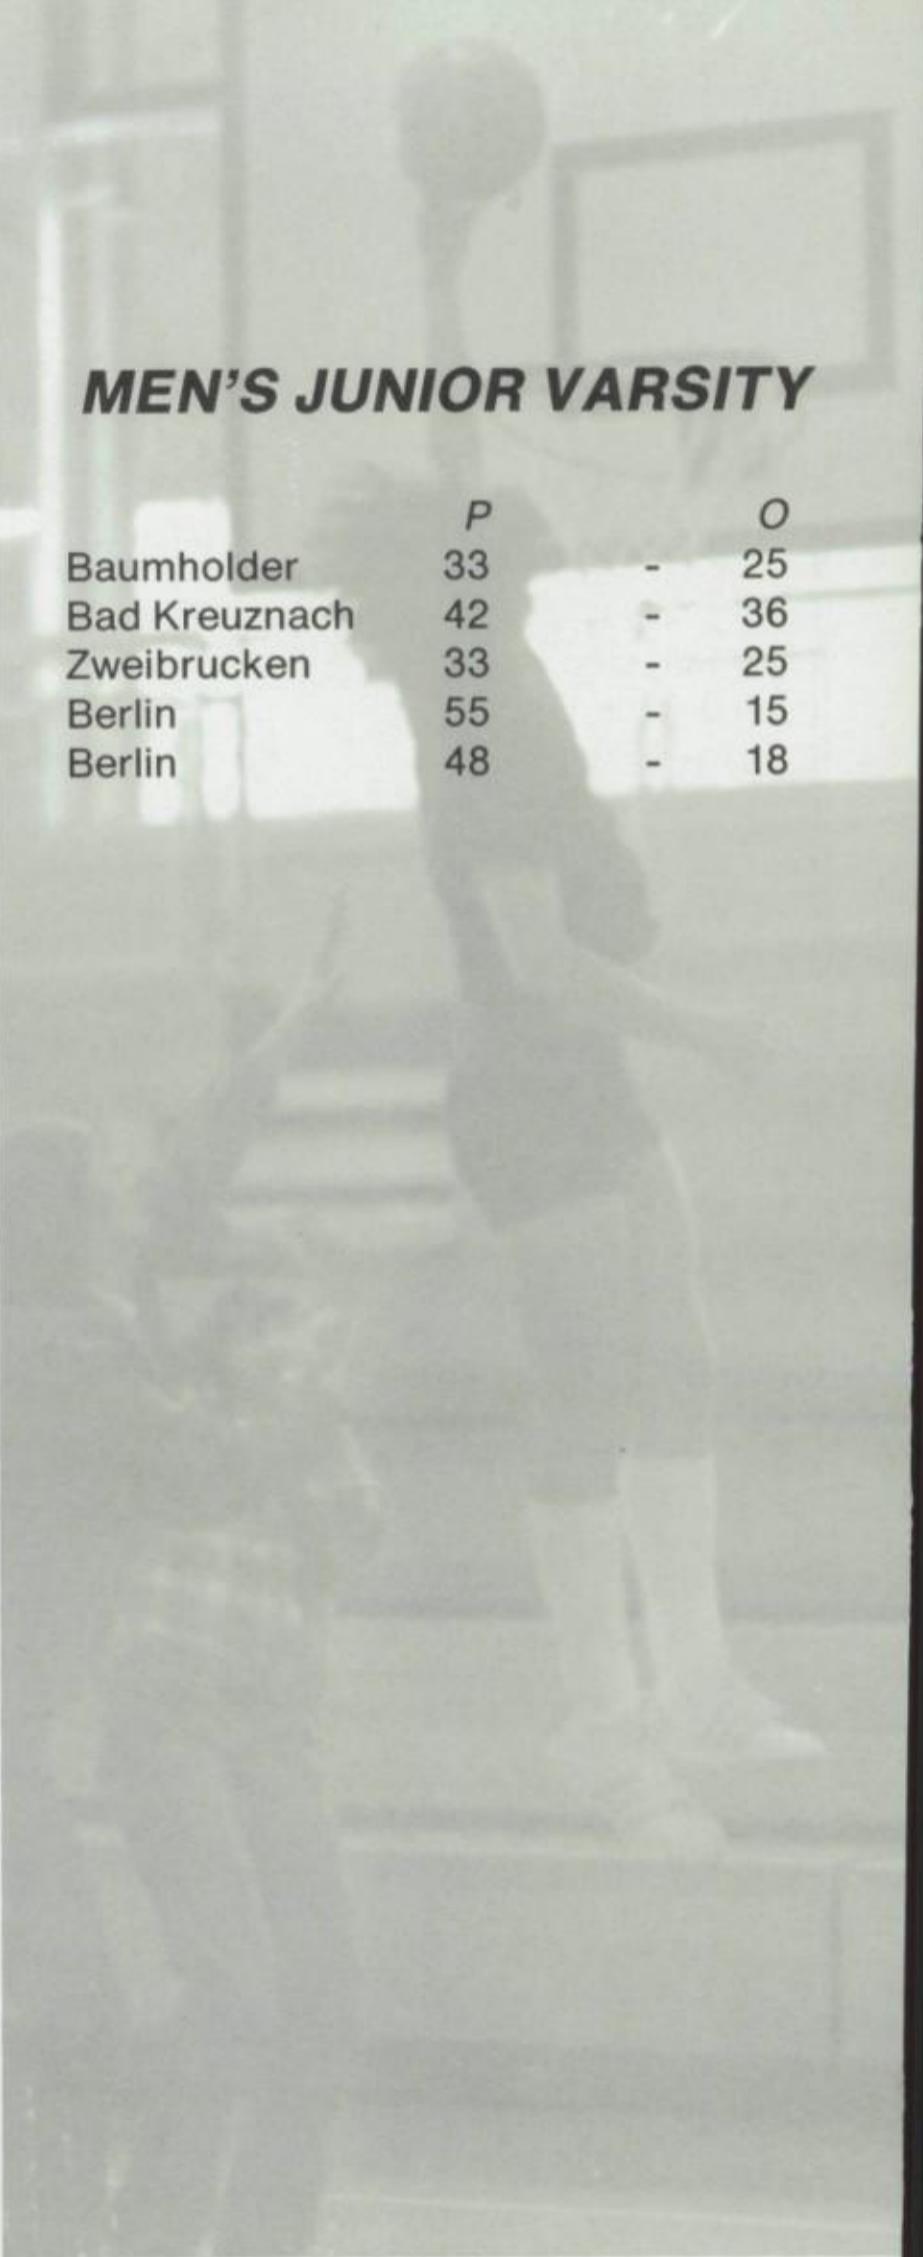

MEN'S J.V. BASKETBALL

Keeping up the tradition left by last year's team, the Men's J.V. basketball team had another excellent season. Coached by Bill Brown, the team pounced over their opponents. The team's major strengths were quickness in the guard positions and excellent rebounding under the boards. This year's J.V. team was also very versatile in that they could succeed with any combination of players at any time.

WOMEN'S J.V. BASKETBALL

The Women's J.V. basketball team found themselves in a very tough Silver South Conference with league games against last year's Class B champion, Zweibrucken, a strong Munich team, and teams from Wuerzburg and Augsburg as well. Although many of the team's players had never played together before, hard work, hustle, and a common desire to win helped these girls to an excellent season. The team hopes to be equally strong and successful next season, also, as many players are expected to return.

WOMENS VARSITY BASKETBALL

The Women's Varsity basketball team surprised a lot of their opponents this year with their good teamwork and hustle. This year's team was blessed with height and a lot of speed and also had some very good outside shooters. Like the other Patch teams, they had to overcome the problem of inexperience. Another problem they faced was that of ball-handling. However, with their hustle and excellent defensive play, these small weaknesses were overshadowed.

All team pictures will follow in the Spring supplement.

BASKETBALL CHEERLEADERS

Directly from Patch American High School, for basketball season and full of bright and shiny spirit, the basketball cheerleaders of 1981 were a tremendous success.

Starting off the season with try-outs particularly for spirited and talented basketball fans, was a fine idea. Some true winners were picked. These excited eight girls boosted the ego's of fans and players throughout the season. Whether seniors, juniors, or sophomores, the 1981 basketball cheerleaders were full of spirit and pride!

The 1981 Wrestling Cheerleaders had to live up to certain expectations since this was the first year Patch has ever had Wrestling Cheerleaders. Cheering on a wrestling season full of happiness and pride were one sophomore, one junior, and two seniors. The cheerleaders this year set traditions for the cheerleaders to follow. They introduced the 'Spirit Can' at a pep rally early in the year, and they wrote a constitution of rules for future spirit spreaders. How can they help but be terrific when they have such a spirited coach as Mrs. Zahn? As a former cheerleader, Mrs. Sherry Zahn knew what she was doing coaching our cheerleaders.

The Panther "81" wrestling team had an outstanding season. With the help of three fantastic coaches, Mrs. Braylark, Coach Martinek and Lou, the Panthers had a winning season. Since there were many underclassmen on this years squad, we hope next year's team will be just as good. And to the graduating Seniors, we wish luck for future success!

PATCH PIRANHAS

Don't Just Blow Bubbles

Willpower, interest, and bold determination is what kept the Patch Piranhas together through their season. The Piranhas, though short of a head coach, received plenty of help from Betty Harper and Lt. Col. Meehan. They always performed to their greatest potential. With an abundance of new talent, the Piranhas made a strong charge at their opponents. Following numerous meets, the team came out with not only some wins, but also experience to show for their hard work.

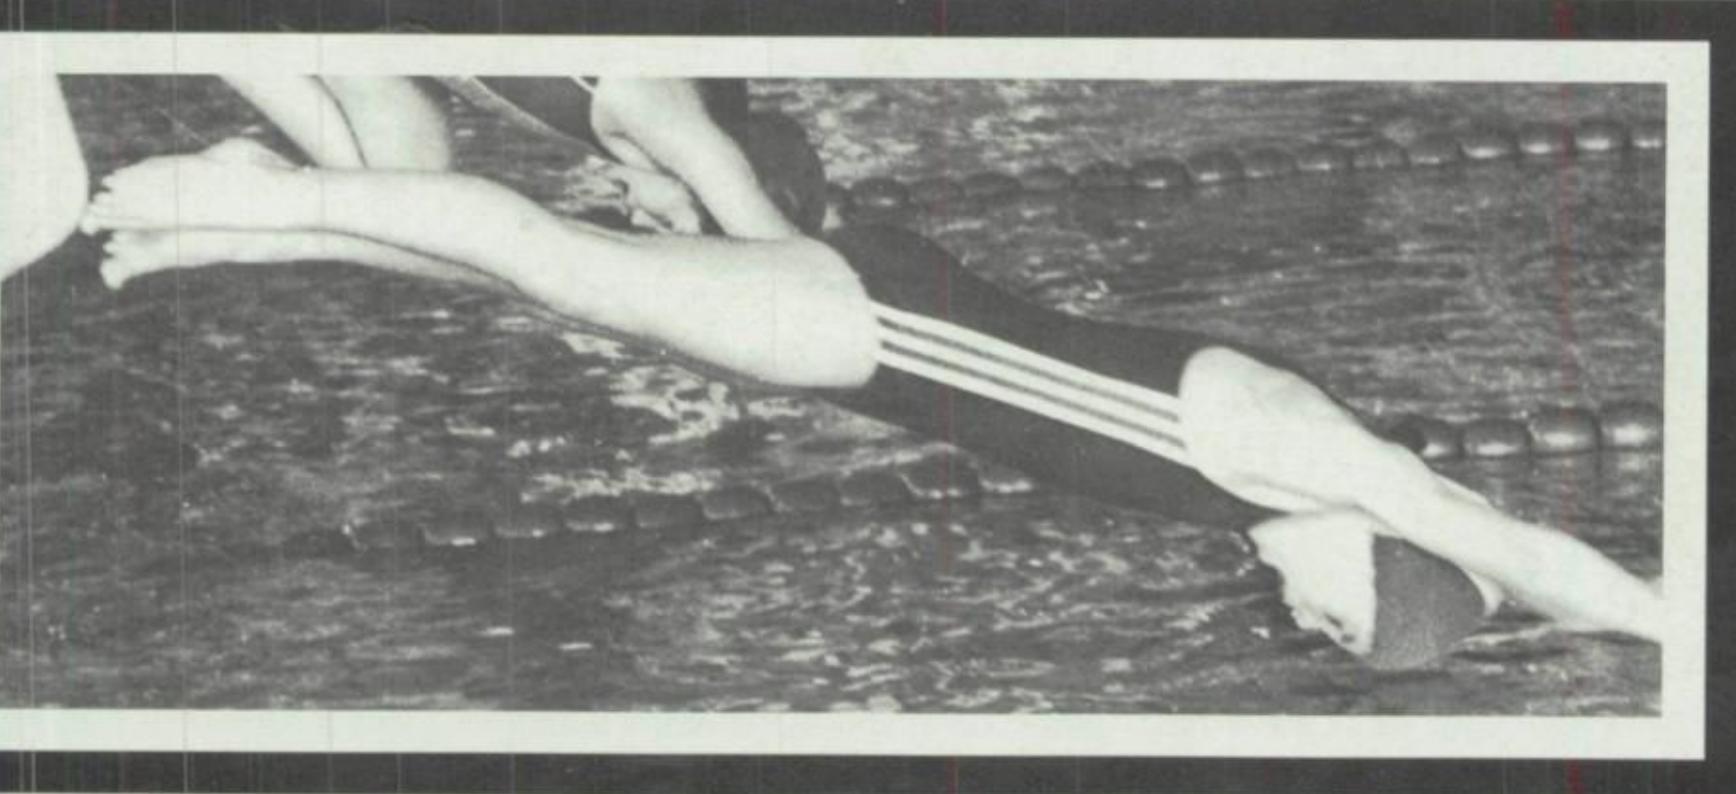

Though their first meet of the season was cancelled due to snow, the team showed a great deal of enthusiasm and spirit. The Patch Piranhas won their first meet 263 to 144 against Hahn. Captains Steve Bayne and Elizabeth Cox both agreed that the team did an outstanding job during the season.

ADMINISTRATION AND FACULTY

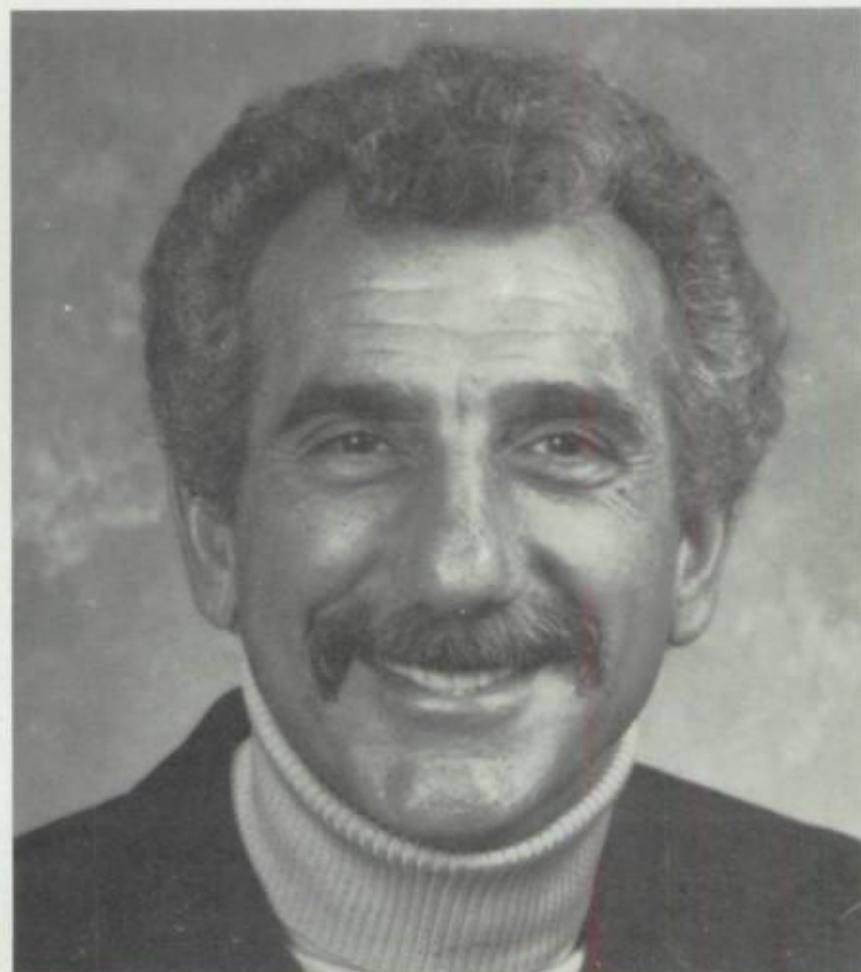

ADMINISTRATION

Most Accomplishments described as being "great" have been the result of hard dedicated work by those who have previously set goals and held to them. A "great" school doesn't just happen, it results from many hours of hard work, sacrifice, and commitment. Patch has been blessed with administrators, staff, and students alike who have set as their goal: PAHS as # 1. Leading us in our efforts have been three who are concerned about the academic, civic, and cultural development of the students. Their work has shown an unselfish dedication of time and patience for the benefit of the students.

Demonstrating his capabilities as an administrator, Dr. K. Gregory Apkarian has brought PAHS from the planning stage to the actuality in only two years. With a distinguished background in education including degrees from the Universities of R.I., Conn., Stockholm, and Southern California, Dr. Apkarian began his administrative career in Wiesbaden, Germany. Among his credits are several publications.

Second in command is Dr. Jane A. Ware. As Deputy Principal she has the awesome task of overall school discipline, scheduling, and special programs. Raised and educated in Washington, D.C., Dr. Ware came to Patch after completing three years as Assistant Principal at Heidleburg Middle School.

As Educational Program Manager for Patch, Betty Sokoloff has coordinated and organized many school functions, one of these being the PTSA Leadership Conference. Mrs. Sokoloff can be seen daily in the halls, in the cafeteria, or in the classrooms. She is truly a concerned administrator whose background includes the teaching of English, Speech, Drama and Humanities. Before coming to Patch she was the Educational Program Manager at Stuttgart High School.

NHS is a difficult organization to get into because you must have maintained a minimum G.P.A. of 3.5 beginning with your Freshmen year. Then, the school faculty votes on a basis of Leadership, Character, and participation in school activities. NHS does many things for the community. This year they supported a foster child. They prepare and present the Awards Ceremony in the Spring and help out as ushers during Graduation ceremonies. Marti Ladnier, NHS Sponsor, says this of the elite group: "I've really enjoyed working with them. They're great."

1980-81 PATCH MARCHING

BAND — It was a busy year for the Patch High School Bands. The Concert/Marching Band performed at football games, Winterfest, Neuhausen Fasching Parade, basketball games, our 24-hour Playathon, Spring concert, Graduation, and our Spring Tour to England.

The Cadet, Intermediate, and Beginning Bands joined in with in-class concerts, a winter PTSA concert, the Playathon, a spring concert, and basketball pep band.

It was a year of fun, hard work, and lots of music.

CHORUS — In the hope of raising money for new choral robes, the Concert choir and the Harmony Express made several appearances during the school year. These include Winterfest and Spring Concert, Chapel services and dinners, Christmas Caroling, club luncheons, battalion Christmas parties, Spring festival, and Graduation. The new black and gold robes will add even more excitement to the performances.

STUDENT GOVERNMENT . . .

the link between the students and the school.

The Student Government under the supervision of Mr. Markarian decided to become a more service oriented activity, rather than social. Several activities that they did this year were the student orientation on the first day of school, tours of the school for visiting German students, helping the PTSA with the Youth leadership conference held here at Patch, and working on many grievances proposed by students.

Under the guidance of Ms. Sandy Spiller Teen Involvement was taught as a class for the first time this year. The students soon became teachers with classroom visitations to the Elementary School. Subjects discussed included, drugs, alcohol, high school, how to pick friends and other related topics. The class was very successful; administrators and teachers alike praised the program. At present plans are being made to continue this program.

"THE ENTERTAINER"

The Patch Harmony Express Choral Ensemble came out "on key" earning considerable donations for the evergrowing music program in the school. Under the talented guidance of Miss Dawson, the ensemble kept quite busy throughout the year with performances ranging from N.C.O. and Officers clubs, to church services. The twelve member group practiced on Mondays, Wednesdays, and Fridays, at lunch. One bass member, Mike Nail, was quoted as saying, "I like singing at lunch, I eat my salami sandwich with 'whoopee' mustard on it, and I can even hit Soprano notes that the girls can't!"

This year will lose eight members (seniors) of the express, who say its been a great experience for the future. Surely next years group will have their hands full in matching previous appearances of the 1980-81 ensemble.

The Model United Nations is into its second year at Patch. The M.U.N. is open to all students who are then selected by competitive exams, research papers, and oral presentations. The number of participants is ten. The students prepare themselves early in the school year to play the role of the United Nations delegates.

The "Model" setting of the United Nations General Assembly is at the Hague, The Netherlands. The students deal with the same issues that are being dealt with at the real U.N. in New York. They must play realistic roles and do so by intensive study of their country's cultural, economic, and political environment. This year, the Patch M.U.N. represented Japan, which was recently elected to the Security Council as a non-Permanent member.

INTERNATIONAL THESPIANS

Whodunit?

The newest club at Patch High is the International Thespians drama club. In fact, it's so new that as of this writing, the Thespians haven't yet received their charter or troop number from the International Thespians Troop Headquarters. As soon as the member is received, the thespians will hold regular meetings to discuss fundraisers and possible play productions. Shown in the group picture are the full-fledged charter members of the troop, and behind them, the apprentices.

Charter Members: Matt Bader, Mari Vega, Anne McNicholas, Marybeth Hefernan, Donnell Partin, Miko Nail, Marcie Miquelon, Rhonda Bales, Joe Withrow. **Not Shown:** Debbie Allen, Traci Hartsell. **Apprentices:** Nancy Richards, JoJo Katz, Nanette Murray, John Gaudelli, Sheila Proctor, Doug Whalen, Lina Savkar, Matt Dickson, Rosi Miller, Renee Riddle, Ann Scarbrough, Ellen Westenburg, Rianne Kelton, and Valerie Mullins. Anyone who worked on a play within the last two years is also counted as an apprentice.

COMPUTER CLUB

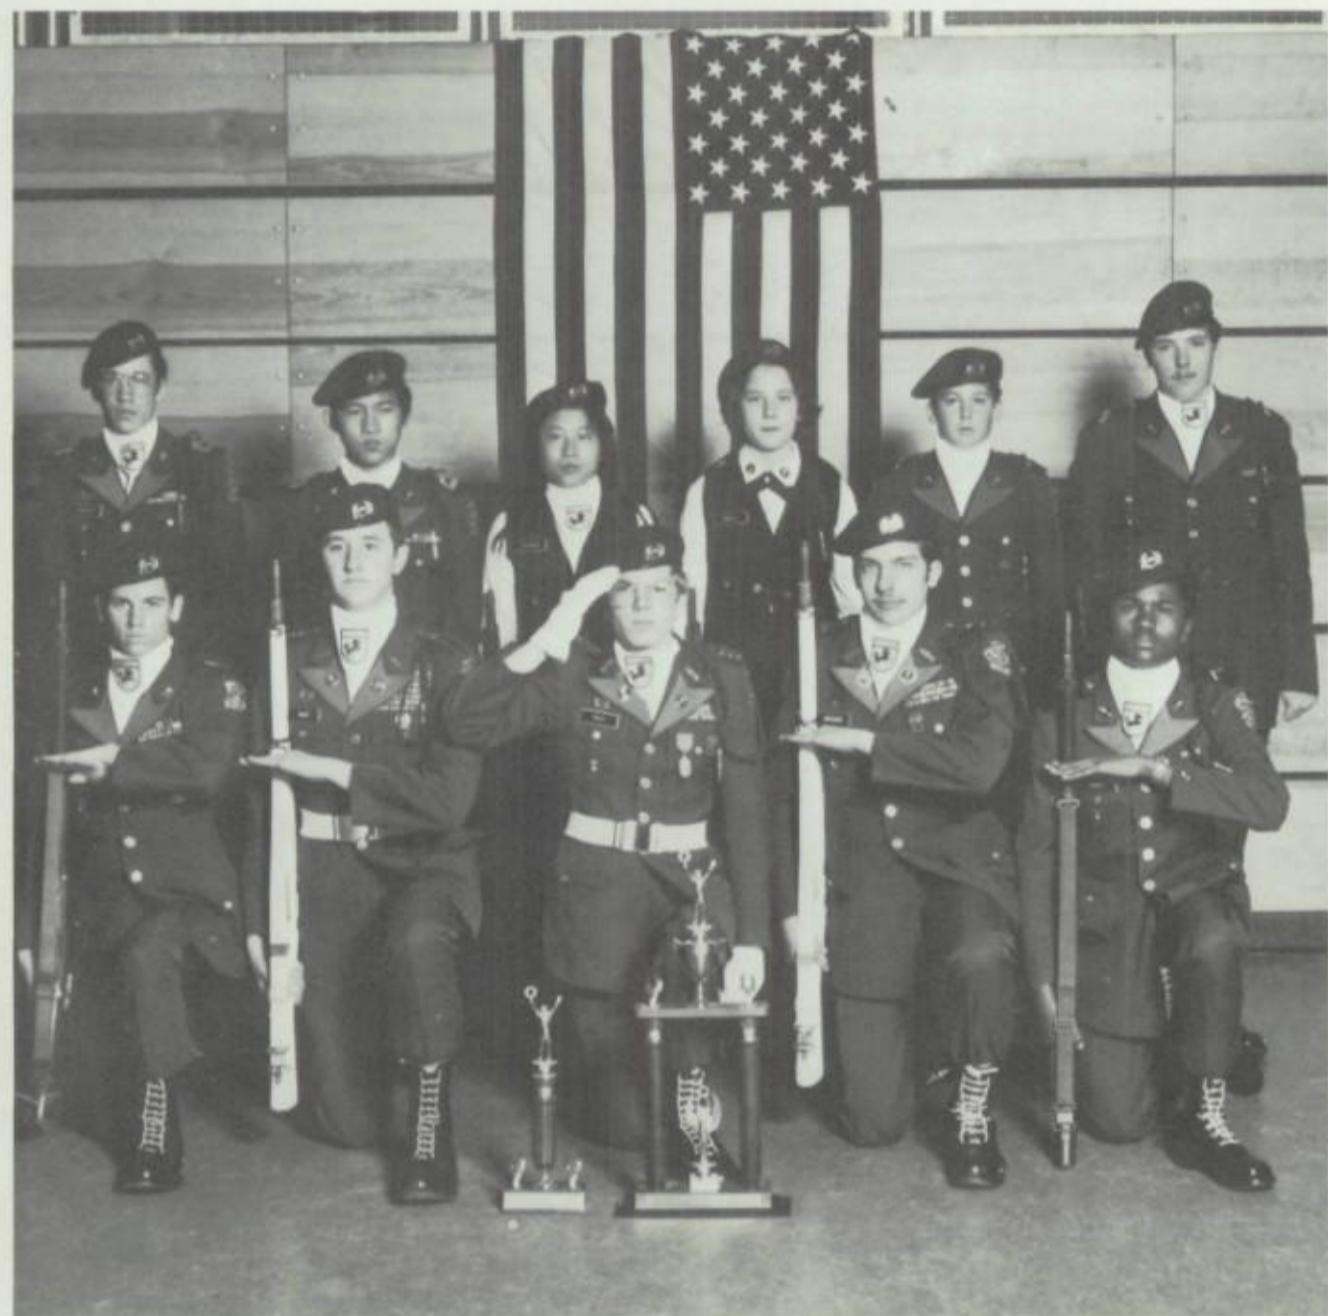

Members enjoy a game of Star Raiders.

This year the Computer Club started off by living up to its name — it had one ATARI 800 computer. Since many students wanted time on the computer, one wasn't enough. Two more ATARI 800 microcomputers were ordered along with two ATARI 400s, a smaller version of the larger one. The problem now was that the Club needed televisions for the new computers. The members raised money by selling Patch Panther Calendars and allowing other students to play computer games.

Although only scheduled to meet every Thursday at lunchtime in room 324, almost every day, before and after school and during lunch, you could find several members working on their programs in the computer room. At the regular meetings, Mr. Reisinger, the club sponsor, provided instruction in operating and programming the computer, thus providing the incentive for the Club.

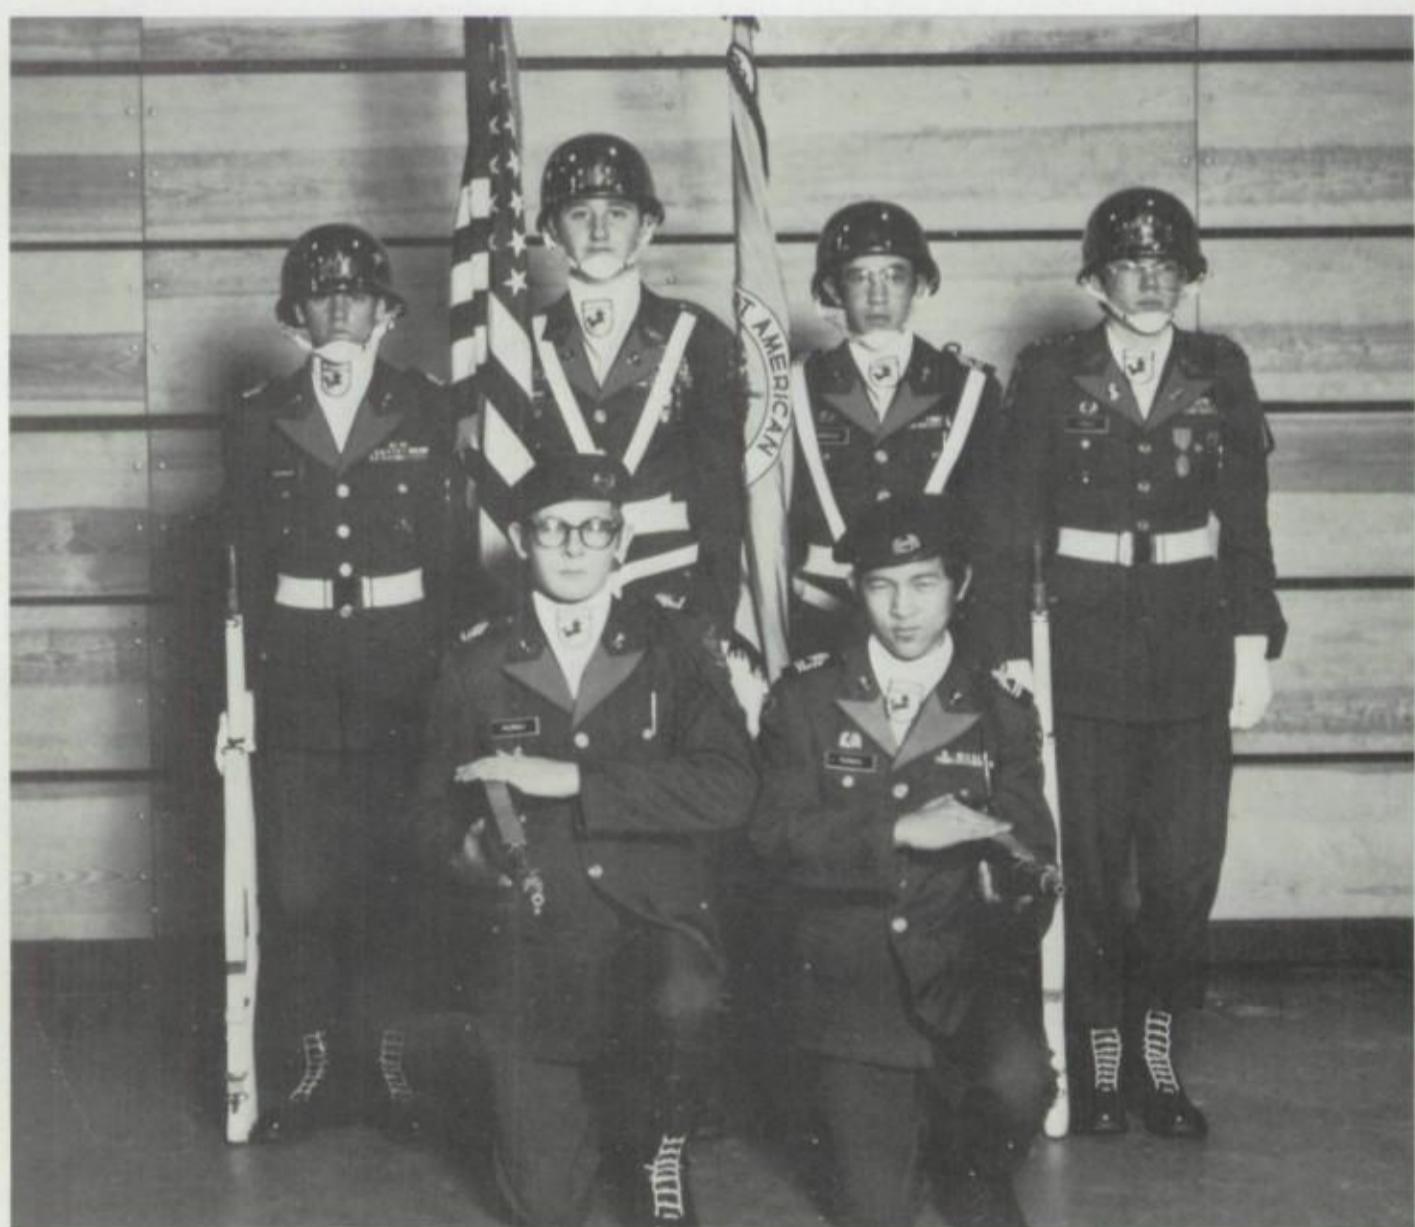

The Members of the Computer Club: Front: Paul Rimehart, Richard Spencer, Hughie Vicos, Tamara Cohen, Tim Castleman, Michael Fraser. Back: Rom Rush, Tuner Lequar, Mike Shaler, Joe Spencer, Bryan Zimmerman, Patricia Norwood, Mr. Reisinger (sponsor).

Reserve

The Patch Junior Officers Training Corps, is a task force attached to the 5HT AJROTC Battalion, Stuttgart High School. The ROTC program offers a wide range of enjoyable activities, field trips, and can serve as a helpful edge for a military scholarship or a military career.

During the course of the year, the ROTC had a large and busy schedule on tap. Just two of the many field trips that the cadets attended were, one to an aviation battalion at Stuttgart Army Air Field where the cadets were given an enlightening tour of the site. The trip was topped by a helicopter flight over the Stuttgart area. Another to the East German border where the cadets were again given an eye opening tour which answers that so often asked question: "Why are we here in Europe?"

The highlight of the ROTC year is the annual military ball. The ball, as always, turned out to be a very enjoyable evening. It was held at the Patch officers club.

The Patch AJROTC starts heading to a close after the annual formal inspection, where the cadets are inspected and parade before a general officer. Then the ROTC program, as a whole is looked over by a team of officers from Washington, D.C.

The ROTC program is truly one of Patch High Schools most active groups!

P.H.S. PRINT SHOP

Only being in the second year of a new school, many clubs and organizations were only in the growing stage. One such club that has grown by leaps and bounds is the P.H.S. Print Shop. With the acquisition of a new offset machine, the print shop has the ability to do anything a normal print shop can do, including printing newspapers and stationary. The P.H.S. print shop is a non-profit organization whose major projects were the silk-screening of T-shirts and the printing of tickets. Under the auspices of advisor Herr Dobner and president Joe Withrow, the printing shop had a very prosperous year and laid the foundation for a very solid organization.

ART CLUB

The art club is a group of students who share a common interest; art. They meet at lunch to work on different art projects. Some of the club's activities include; making posters, designing bulletin boards and going on field trips. The club is under the supervision of sponsor, Mr. Thomas, and president, Lisa Mentzer.

During the year students in Herr Dobner's room took part in activities with German students from a school on Vaihingen. The German students came to Patch High and were escorted by American students around the school and visited various classrooms.

Club members are: T. Dillon, T. Chaitte, R. Mayhew, L. Mentzer, J. Edwards, K. Mauldin, L. Oxydine, T. Wilde, Sponsor Mr. Thomas, K. Baxter, C. Weeks, R. Comito.

YEARBOOK STAFF

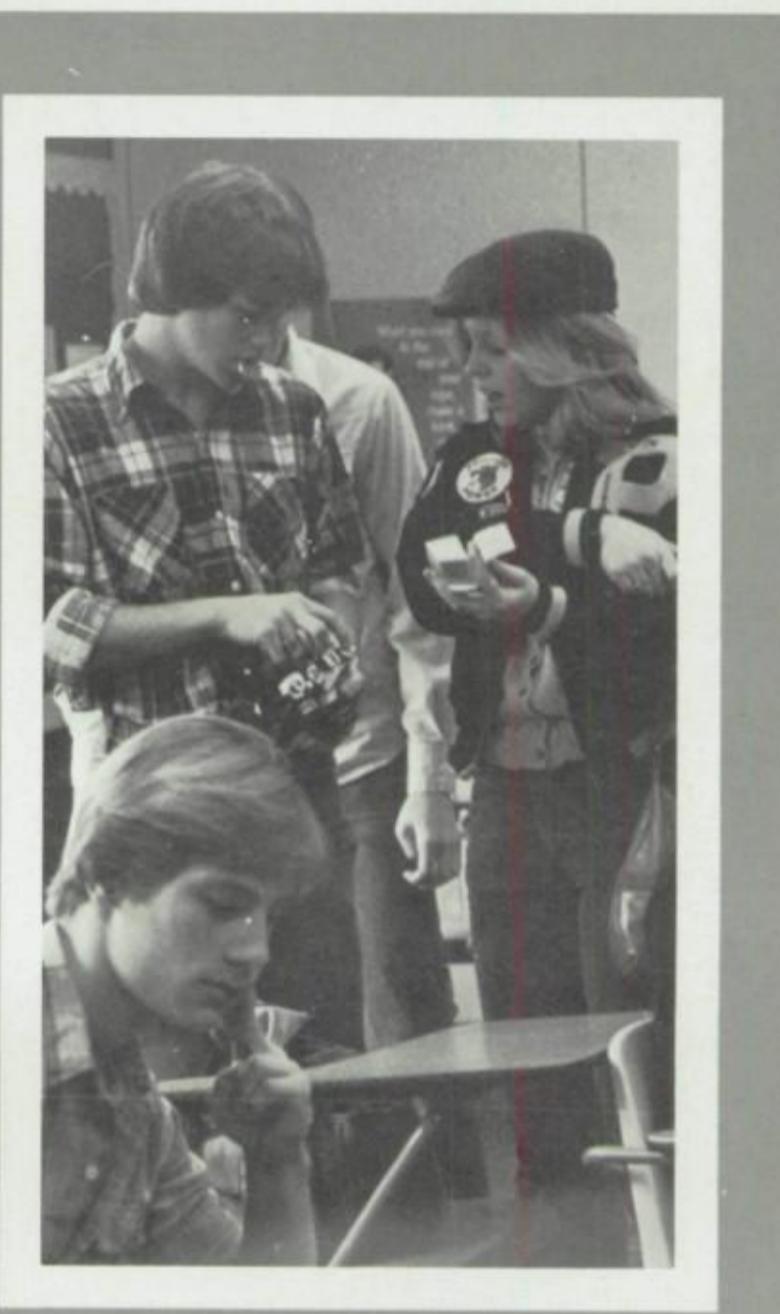

We, the 1981 Journey staff chose Time as our theme for this year's book. We feel that this was a good choice because most of the students' lives revolve around time. Putting the Journey together has been a rather mind-bending experience. Most of the members were new at the yearbook business and those deadlines all seemed to come sooner than we thought. Even though we had some rather trying experiences, it all seemed to come together, as we breathed a sigh of relief in the end. All of this was done under the direction of Ms. Mullinix.

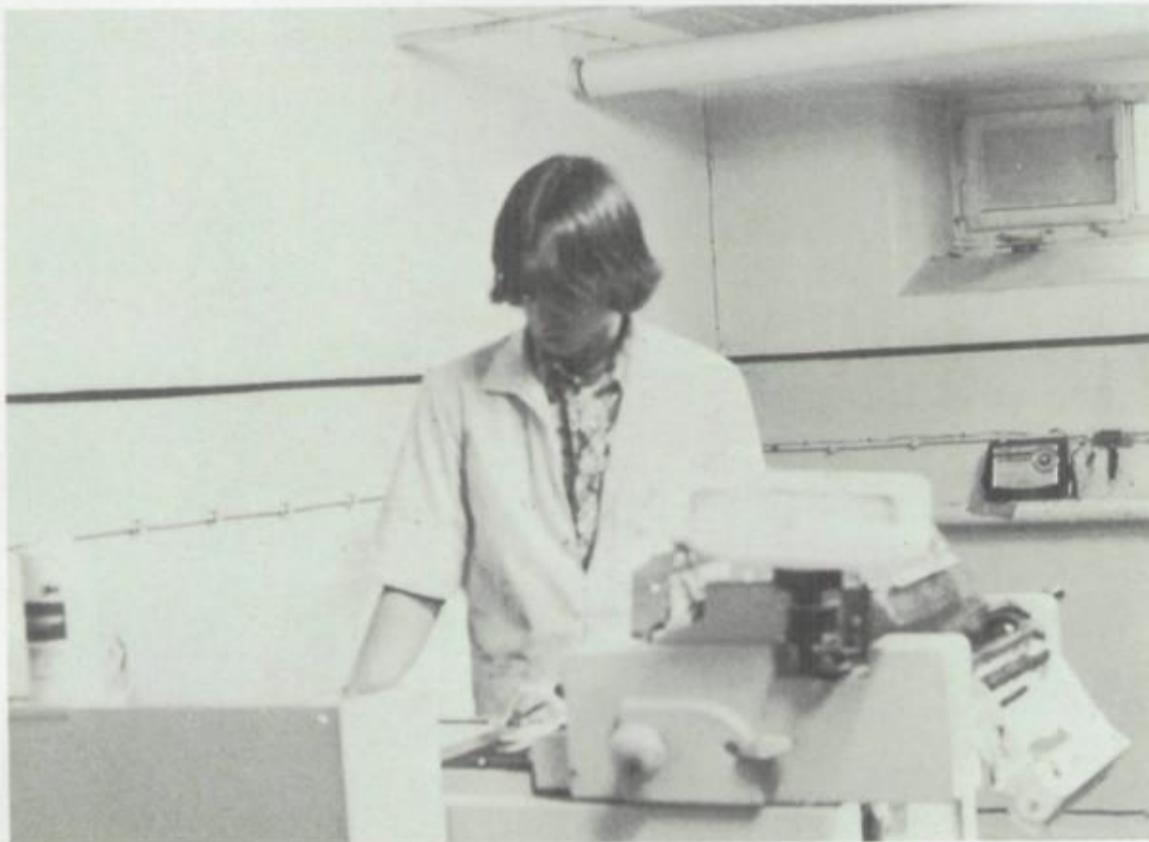

Staff Members: Susan Richards, Lisa Mentzer, Chris Dewar, Kelly Meehan, Steve Snipes, Nancy Richards, Jim Burns, Anne McNicholas, Tuner Lequar, Clare McCarthy, Debi Koons, Reba Cypher, Phil Bujakowski, Bobby Mayhew, Darrell Lynch, Chris Lynch, Jenny Boettcher, Shannon McCraith, Valerie Mullins, Karl Kelton, Pat Hannigan, Heidie Kambrod, Linda Harper, Debbie DeVries, Kenny Johnston, Janet Andrew.

Pure Panic and Then ... Relief

STUDENTS ENJOY WORKING OUTSIDE OF CLASSROOM

CWEP, Cooperative Work Experience, inspired many students to get out of the classroom and to get to practical education on job sites. Ms. Bogandy, the coordinator of the program, first inquired about the interests of the students. She was then able to place the students at a desired job site. Different job locations included: the dispensary, auto body shop, graphics-reproduction, telephone installation and repair, and the facilities engineers.

BEYOND

FAITH AND FUN

Beyond, which had been called Young Life, is as popular with the young adults, of this school, as it has ever been. With its new name came new counselors: Dick and Julie Mason, and Missy Johnston. These dedicated people along with a few volunteers from the community helped promote fun and faith at the meetings. Their connection at school is our own Mr. Brandt.

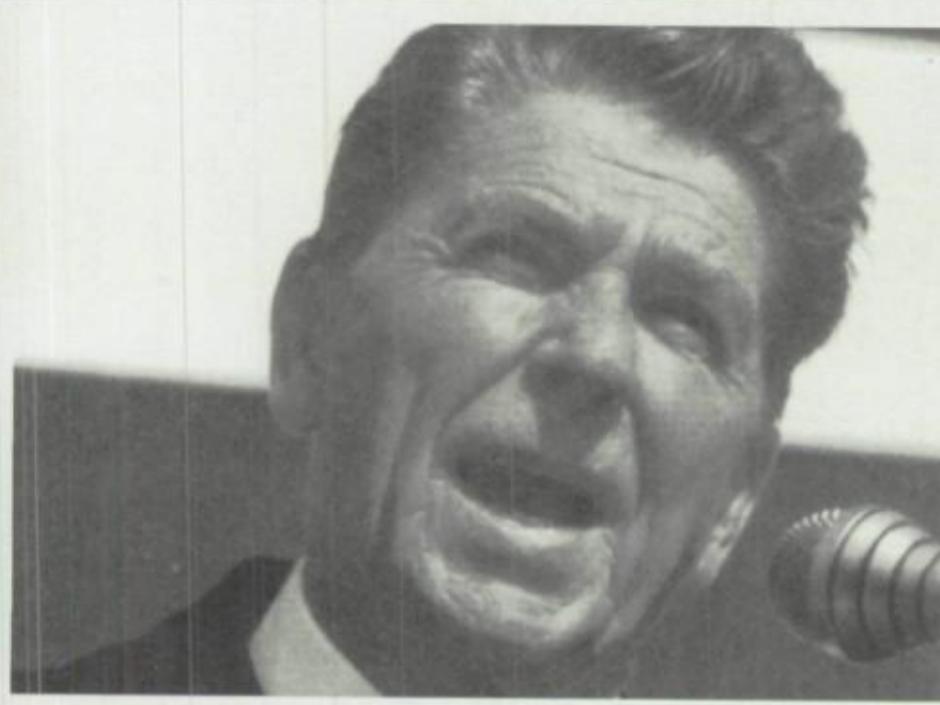

The club meetings, on Thursday nights, are open to 9-12th graders. When kids go to meetings, the only thing that they have to do is to be themselves. They sing songs, from a new song book, play games, have skits, and then at the end of the meetings, one of the counselors gives a chat on faith. The fun which is generated from the club is not just limited to Patch, as they go on trips. The trips are as varied as the club with a retreat in fall, ski trips to Winter, a lock-in in the Spring, and bike trips in Summer.

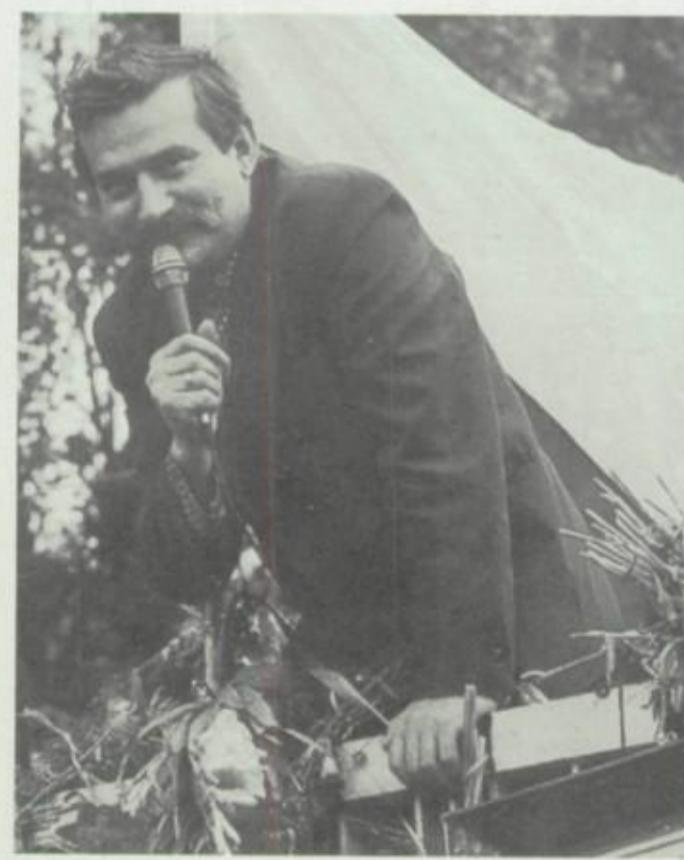

SPECIAL EVENTS

THIS HAS BEEN A ...

SPECIAL REPORT

We interrupt this yearbook to bring you this special report. Ronald Reagan, by a landslide, has been elected as President of the United States. Voyager 1 brought back pictures of Saturn. In Hermitage, Pa., a flag flies for each day the 52 hostages have been held in Iran. Millions of fans mourned the death of ex-Beatle John Lennon. The Polish workers successfully challenged the Communist regime. An earthquake devastated southern Italy, killing thousands and leaving hundreds of thousands homeless. That concludes our special report.

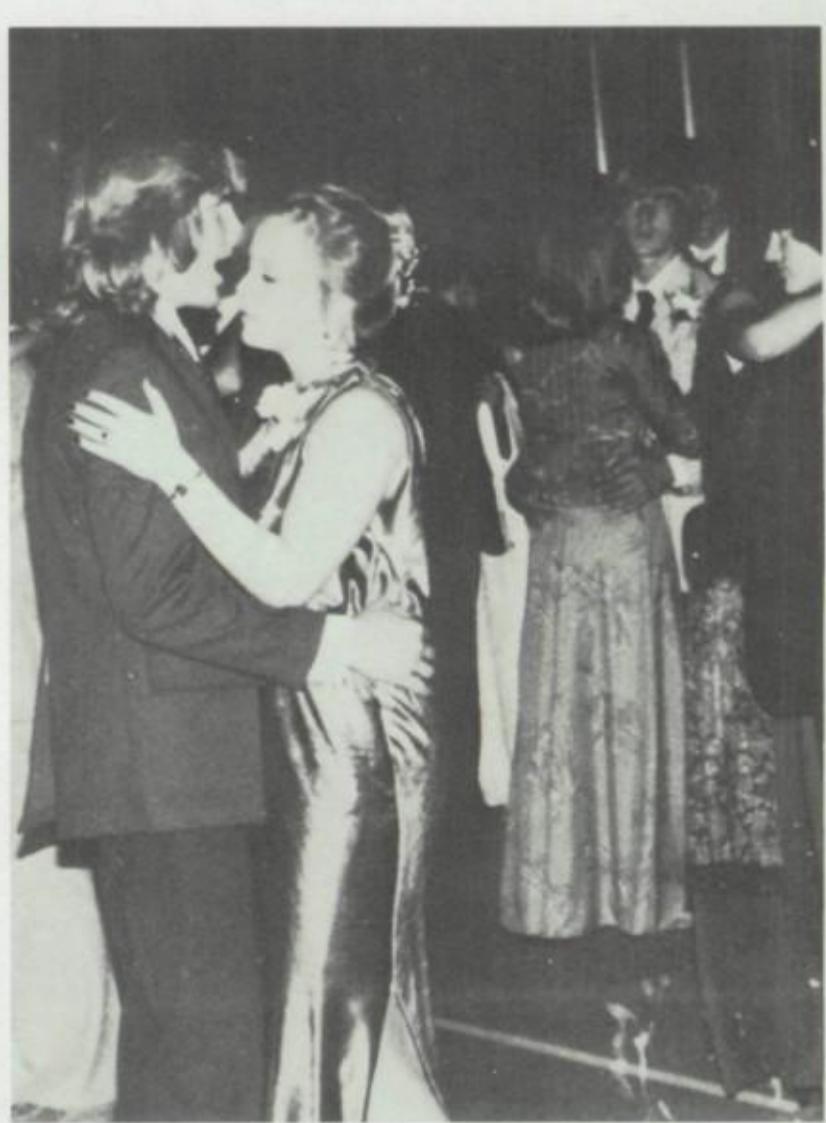

The Cosmetology department and modeling workshop presented Zodiac 80 this year. The group consisted of both males and females who did skits and modeled fashionable clothes. The performance was well attended. Commenting on the students' production, Mrs. McKenzie, the coordinator said, "they did a real good job on it and the evening was a great success despite the bad weather that almost caused a cancellation." The RB Exchange and the Boutique were helpful in providing clothes for the students to model.

FASHION SHOW 1980

RAIN . . . On the 18th of October, our Homecoming was wet. Amidst the drizzle, was the last minute decoration of floats and the rush to make the parade by ten that morning. Then came the downpour as the floats began to roll. Every class managed to show their spirit with their banners and floats. At Friday's pep rally, the junior class banner showed the most spirit. The judges chose the 7th and 8th grade float as the best, with the seniors and sophomores taking 2nd and 3rd respectively. The game began at 11:30, putting our Patch Panthers against the Ansbach Cougars. In the rain, mud, and lime our players managed to shut-out the Cougars by the score of 38 to 0. The band put on a wonderful halftime show as they plodded in formation through the mud. Then came the moment we all were waiting for; the court was introduced. It was announced . . . Mike Bell and Cindy Brousseau were chosen King and Queen. At 8:00 o'clock that night it was still raining as the dance started. However, the Panther spirit was never dampened.

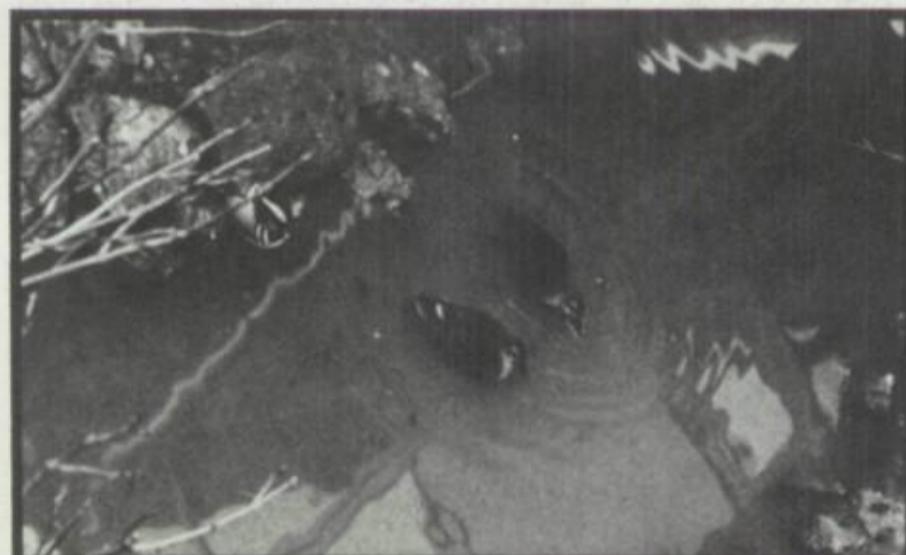

ELECTION 80-81

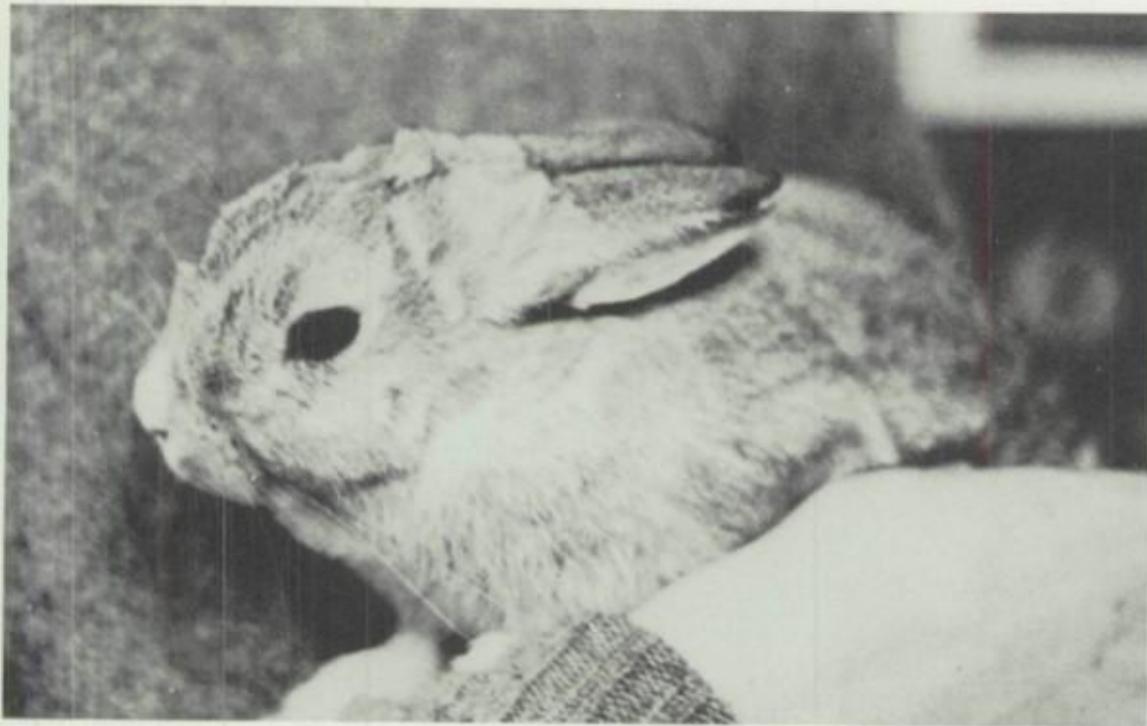

Our New Addition to the School ...

Most ducks fly south for the winter, but why fly south when you can have the "fat life" at Patch American High School's Victoria falls? Acquired through funds raised by Mr. Hanks' biology club, the ducks have become the focal point of the whole school. Daily, and hourly you can see people standing at the windows watching our ducks: three Mandarins, two Australian Black ducks. Hopefully we will be blessed with ducklings in the spring!

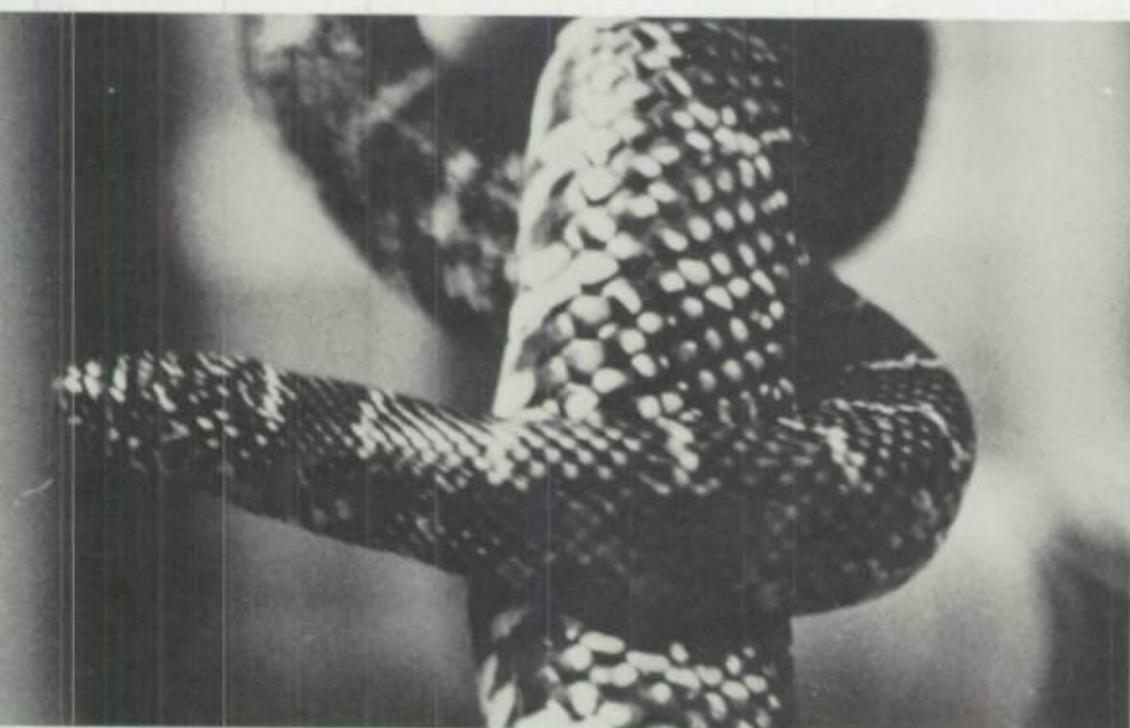

The "DUCKS"

BIOLOGY CLUB

The Biology Club, sponsored by Mr. Hanks, began early in December, 1980. The club brought together students who were interested in biology and other forms of science. There were twenty members involved in dissecting sharks, culturing fungi, and studying protozoans. To raise money, the Biology Club sold pretzels during the ten-minute break and lunch. One of their projects included the ducks that now live in Victoria Falls.

This year our school has been able to participate in many field trips. On October 8, 1980 the students in the German classes went by train to Rothenburg. This trip, like all trips was fun for the students as well as being educational. Field trips give the student a chance to see the country and the many different customs that represent Germany.

The school was fortunate in being able to go to the King Tut exhibit in Munchen. Over 400 students participated in this activity sponsored by the social studies dept. Not to be outdone by the S.S. dept., the science dept. had their own field trip to the University of Stuttgart's zoology dept. The junior high went to the Christasmart in Stuttgart.

TELL ME THAT YOU

On Nov. 7, 8, and 9, Patch High School presented *Tell Me That You Love Me, Junie Moon*, a three act play. The play, billed as "a very unusual love story", was a huge success. Very few people in the audience had dry eyes. The cast and crew worked hard to put on such a good show. Their efforts started in October, with tryouts. A lot of talented people showed up, making it hard for Mrs. Katz, the director, to pick the cast. As Mrs. Katz said, "If my entire cast were to PCS tomorrow, I could recast the play with equally talented people." The cast rehearsed in Mrs. Katz's classroom from seven to nine after school while the crew built the sets. The actors and crew ironed out all problems, and Patch was treated to a show that touched everyone who saw or worked on it.

DANCES ADD TO THE ...

In spite of all the trouble getting DJs and equipment, the school dances proved to be successful. The PTSA started off the school year with the "Back to School Dance" with the help of Student Government. The Christmas Dance sponsored by the Juniors kept everyone in the holiday spirits. The 7th and 8th graders stayed up past their bedtime for their 1981 Back to School Dance in January. The money raised by the dances helped the various sponsors make the second year at Patch be a SMASHING success.

"NIGHTLIFE" OF PATCH

College Day

This year's College Day was very successful due to the careful planning of Mr. Abel, Mr. Brandt, Mr. Minette and the Home Ec department. Students from Patch, Stuttgart, Bamberg, Wiesbaden and Munich attended the ECIS tour. Admissions officers representing over 30 colleges and universities provided Juniors and Seniors the valuable opportunity to learn more firsthand about the entire college process. Students benefited greatly from the college guidance, many making important college decisions.

A bird's eye view of College Day.

Maria McAhron puzzles over the many college decisions which lie ahead.

Bob Dunkle and Ruth Dean consider Bard College in their hunt for colleges.

Career Day

The Career Day, organized by Ms. Begandy, allowed students the chance to speak with representatives from various careers. Speakers offered information about career qualifications, job opportunities, salaries and work experiences. Students chose from over 20 career areas, including Engineering, Medicine, and Law. Political Science/Foreign Service, represented by Mr. Francis, was very popular, as well as Psychology, represented by Dr. Sandra Rosswork. We thank the professionals for their valuable time and congratulate Ms. Begandy for a successful program.

"annemarie,"
 stay cute and sweet
 through the rest
 of next
 year and
 keep smiling
 (are you
 moving?)
 well, if
 your
 moving
 have fun
 and make
 sure the
 boys are
 sweet
 and send
 a few my
 way!!!
 well, I'd better
 end because
 I've got
 100,000
 other
 yearbooks
 to sign!!

To everything there is a season,
and a time to every purpose under heaven:

A time to be born, and a time to die;
a time to plant, and a time to pluck up
that which is planted;

A time to kill, and a time to heal;
a time to break down, and a time to build up;

A time to weep, and a time to laugh;
a time to mourn, and a time to dance;

A time to cast away stones, and a time to
gather stones together;
a time to embrace, and a time to refrain
from embracing;

A time to get, and a time to lose;
a time to keep, and a time to cast away;

A time to rend, and a time to sew;
a time to keep silence, and a time to speak;

A time to love, and a time to hate;
a time of war, and a time of peace.

Maximine,
You are a
Great friend and
I wish that we
could have more
better friends.
I give
you my best wishes
to my best friend
you may go on.

Marianne,

I just loved being your friend.
You never get mad, you're very
understanding and assuring (spelled wrong)
And you are so acceptable I mean
you don't care if people tease you
about your height and you're not
worried about your hair, and you
don't worry about how popular you are
You're so sweet!!!!!!!

I really wish you were
my sis!
If people have troubles they can
turn to you.

Thanks

Love ya,

Nikki
